Vinification	Traditional vinification with skin macération for 12 hours to obtain a nice pink (salmon) colour. Fermenting at a low temperature enhances fruity aromas on the palate..
Tasting	Perfumed floral aromas with bits of chocolate and cherry make us salivate at the first whiff. The sexy richness and silky texture are just heavenly. A medium-bodied bottle of pink joy from the moment the cork is popped, this is about as classy as a pink Cabernet Franc as you can get and the bright acidity keeps the class lingering for minutes on the finish. We think of fruity peppery pink peppercorns – say that three times fast, after you finish the bottle of course
